

WDVESA-PA30

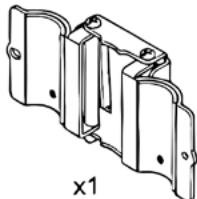

PA-30

Before assembly

- ☐ Please take some time to read this and follow the procedures step by step.
- ☐ Adjust the pole on the mounting bracket at the desired height. Then secure the pole on the mounting bracket using the knob to tighten it.
- ☐ Attach the pole mount (WDVESA-PA30) to the wall mount bracket (WDVESA-LA19L, not included) and secure tightly with the screws provided.
- ☐ This product is intended for monitors weighing less than 17 lbs.
